

## The more successful solvers 2019 – 4536 to 4587

|                  |                          |
|------------------|--------------------------|
| N Talbott        | (last unsuccessful 4268) |
| R Foden          | (4397)                   |
| J West           | (4422)                   |
| P Blayney        | (4430)                   |
| N Gavin          | (4435)                   |
| L Davis          | (4459)                   |
| D Drysdale       | (4478)                   |
| J F Grimshaw     | (4483)                   |
| P J Spicer       | (4509)                   |
| A J Shields      | (4509)                   |
| R J Whale        | (4515)                   |
| S J Smith        | (4526)                   |
| S Smith          | (4526)                   |
| A Stewart        | (4527)                   |
| R A England      | (4530)                   |
| J P S & E A Ruff | (4530)                   |
| R C Teuton       | (4530)                   |
| S Melen          | (4532)                   |
| K Cave           | (4532)                   |
| T & L Melen      | (4532)                   |
| T King           | (4534)                   |
| N Georgiou       | (4535)                   |
| T G Powell       | (4535)                   |
